WE ARE
TOMORROW

1984

Dear Amy,
You're a real sweetie
and I'm glad we could
become friends!
Have a great summer
and keep smiling!
♡, Jodi

Amy,
You're such a sweetheart! I love ya soo much.
I had great times this year. Your b-day was
extra-special. Thanks a lot for remembering
mine even though it wasn't my B-day.
Have a great summer. Call me ok.

Love ya
Monique

Amy,

I'm so glad we are friends. You are so
sweet. This year was a lot fun - especially
Knots and the beach. I hope we get
together a lot this summer.
Love always,

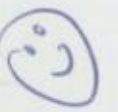

Susan

Hi Amy!

It's been so fun having
you in Geometry. It's great
to have someone to be
cheery with my favorite
"Sister" around. Have a
great summer! God bless!

Hi Amy,
I'm really glad we
live near each other. What
would I do if I forgot my
books and you live miles +
miles away? This summer
will take turns driving to
the beach! (and paying for
parking) + cops are Ann private!
By the way, Robert had better
be good to you this summer. (yvette)
We're gonna have to go Christmas
formal, parties and maybe even
Prom next year! (oo. Ah) I really
hope that next year, JUNIOR
year, will be so much
better than this year to make
up for everything. If you
thought your B-day was crazy
at Knots this year, just wait
until next year! (hee hee hee)

Cornelia Connelly School

Here Comes 1984

In 1949, George Orwell predicted what the future would hold. For he and his peers, 1984 signified the future. Today we find ourselves a part of that future. At Connelly we find a future of wonders and miraculous happenings. Unlike Orwell's 1984 of world repression and complete governmental controls, we see 1984 as a year of bright beginnings and open doors. We have been given a chance to better our lives and the lives of those around us. This betterment is just one of the goals we, as the children of the future are striving for . . .

Hi Amy!
 Thank & helping me out in
 Spanish. You're really sweet and
 I'm glad you're my friend. I'll
 see ya next year as Juniors.
 Luv,
 KATHY

... We all have very different aims that we want to achieve, and the possibilities are limitless. We can be almost anything we choose — a teacher, astronaut, doctor, lawyer, chemist, even a great religious or world leader. However, no matter what our personal goals are, one thing we do have in common is the contribution that Cornelia Connelly High School has made towards the realization of our futures.

Dedication

Mr. Richard Martin, who arrived at Connelly the freshman year of the Class of 1984, has enriched the community of our school in an irreplaceable and irreversible way. Evidence of his sincerity lies in his dedication to the good of the school. He has experienced and grown at Connelly along with the seniors. Although he is always playing tag with the students between classes, he also plays a major role in promoting the spirituality at Connelly.

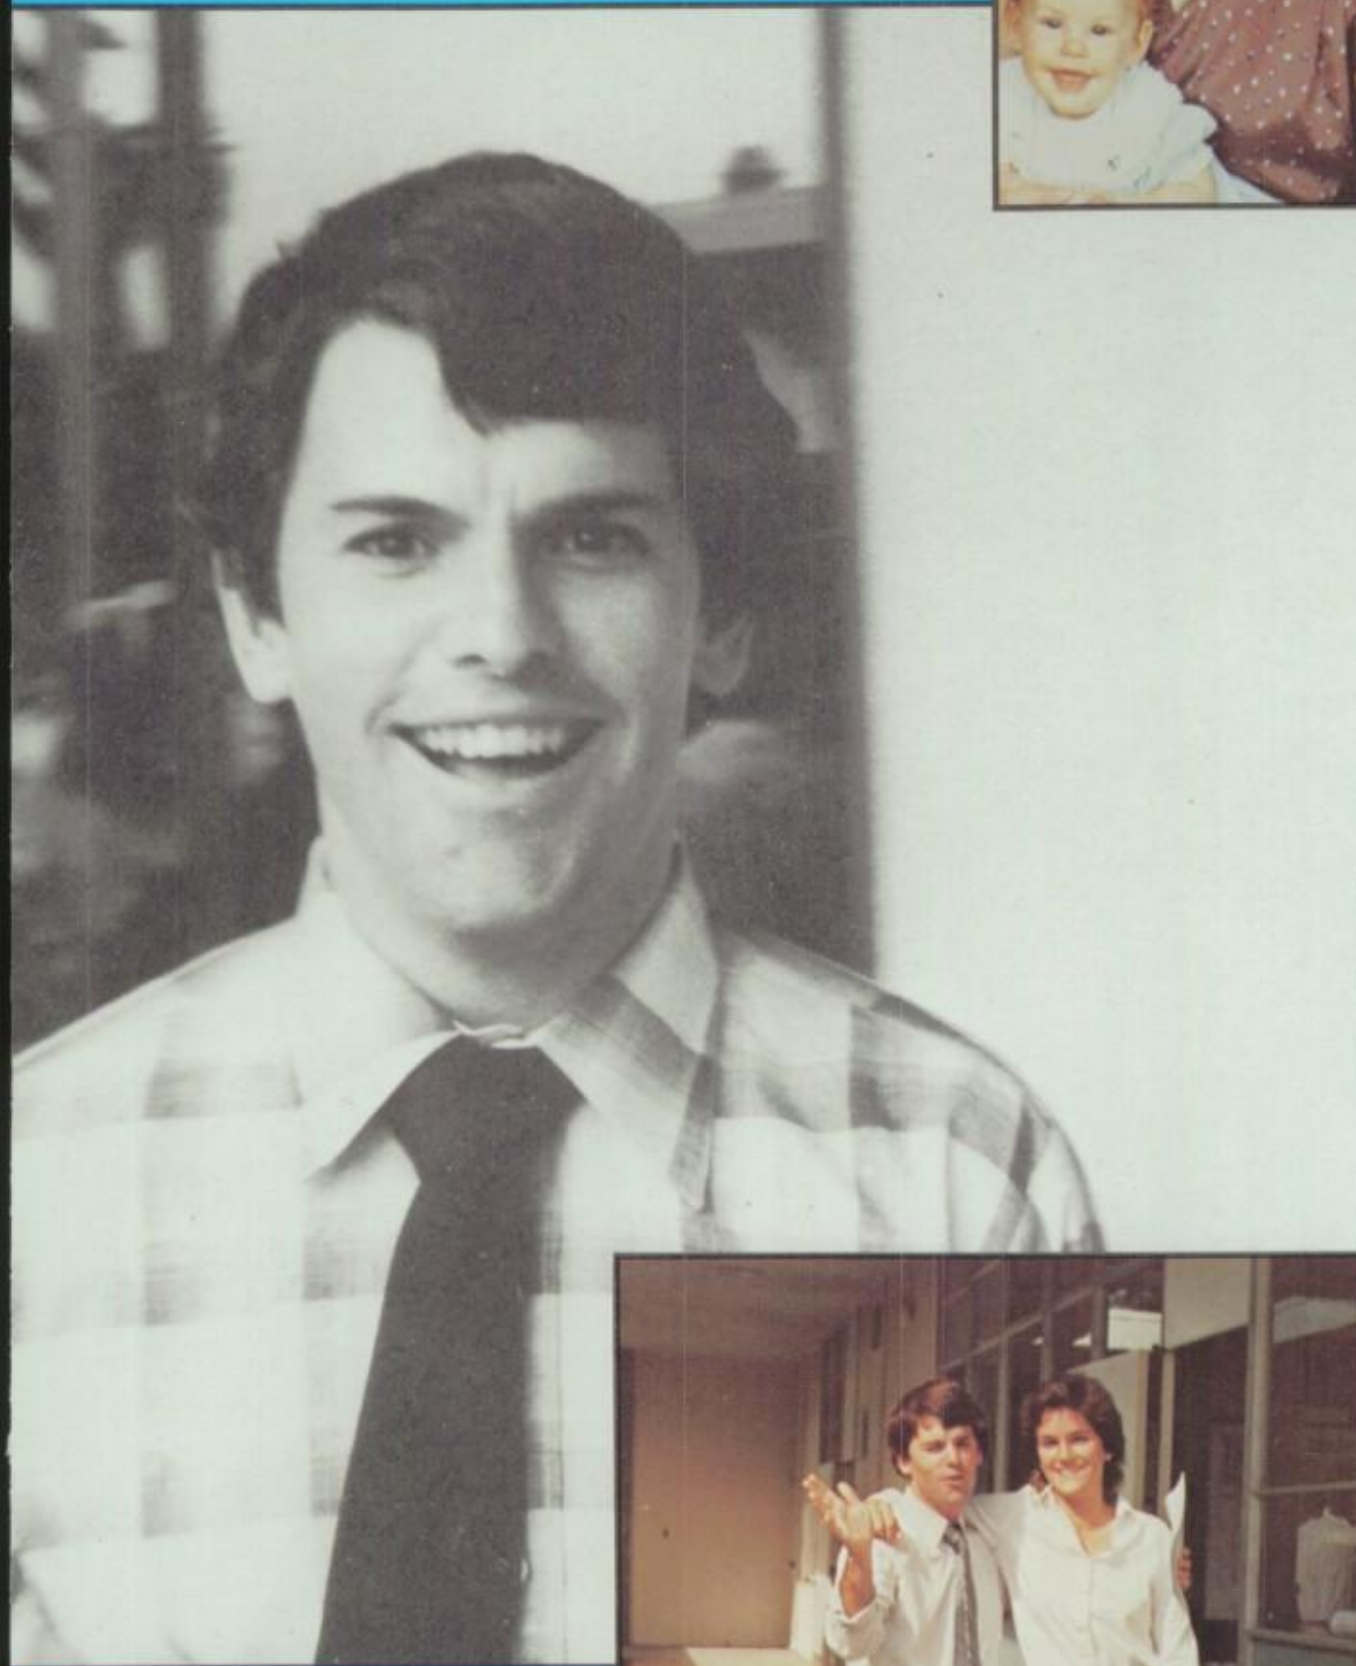

This overabundance of friendship, dedication and enthusiasm comes through in his teaching. With his wife, Debbie and daughter Rachel, he shows that he is also a truly dedicated family

man. Mr. Martin makes learning Religion an inspirational As the Christian Action moderator, he encourages the students to help the elderly, underprivileged and handicapped to make their lives more exciting and fulfilling.

You've touched us.

FACULTY

There is a particular group at Connelly High that contributes to the future of the students. This dedicated group of people is the faculty and administration. Through the years they have helped us to grow both intellectually and spiritually. Their guidance and love have given us the confidence to meet the challenges of the future.

The teachers at Connelly have many talents and interests that they share with the students and with each other. They enjoy each other's company and many of them play together on a faculty softball team.

Our teachers are greatly involved in the community. Some teach in parish religious education programs. Other are working on projects as large as the Inter Faith Olympic Committee. Some teachers are continuing to expand their knowledge by obtaining their Ph.d's. They are continuing to learn, so that they may pass on their knowledge to us at Connelly.

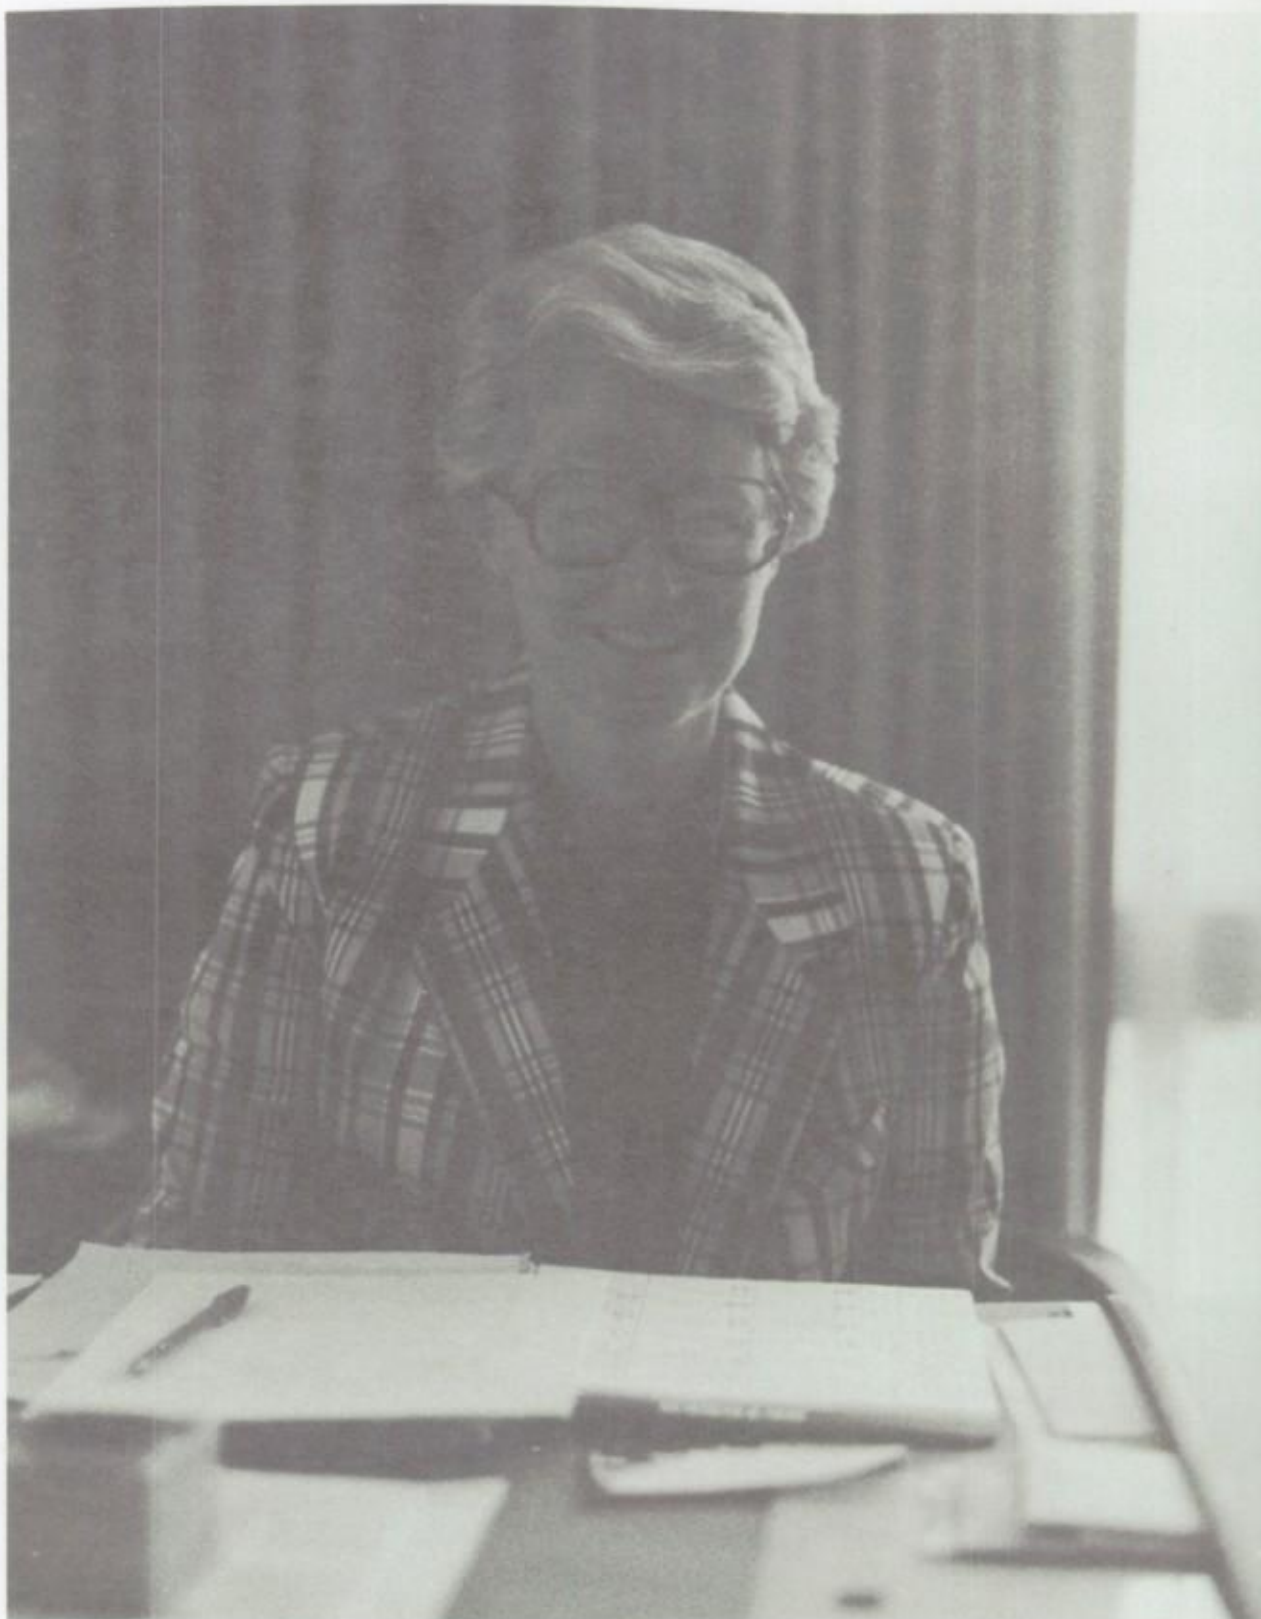

CONNELLY'S ADMINISTRATION

The administration of Connelly is a very important group of people. They ensure that the school is properly run, whether through the development and utilization of funds, planning of activities and curriculum, or in the application of school philosophy.

As Dean of Students and Admissions, Mrs. Glaub has a job that is often not appreciated but necessary and difficult. She encourages discipline so that the students become responsible young adults.

Miss Rue is in charge of the extra-curricular aspects of our school. As Activities Director, she plans such activities as Senior trip, dances, assemblies and spirit week. Mr. Berntson and Mrs. Bolettieri also provide the school with necessary services. He is Director of Curriculum and she, Director of Development.

As Head of the School, Sr. Tobie keeps it all together. She gives to all her loving and caring support. She provides direction, vision, and a firm foundation.

Student Council

Student Council is a group of talented and congenial people that lead their classmates to unity and fun times. They also provide a link between the administration and the students. They organize all major class events such as Christmas Formal, the Halloween Party, Father-Daughter Dance, and Student Council Dance. This year they attended a weekend workshop that enhanced their abilities. It was held at Dr. James Rue's home, located in Downey.

Christians in Action

Christian Action is a unique expression of Connelly's spirit. The letters CA stand for this organization which includes all students and faculty. The purpose of CA is to foster spiritual growth through its services to the school and community.

At the beginning of each school year, CA holds its Week of Concern. During Week of Concern, CA provokes self-examination both in a personal and communal sense and calls for renewed dedication to others. It is also a time for the school to grow closer together,

as students are reminded to reach out to the new faces around them. This year special emphasis was put on keeping the campus cleaner and on showing more support for the athletic teams.

Off campus, active CA members make weekly visits to the elderly people at Hillhaven and once a month to the children at Hyland Home. At Christmas, there is a trip to Tijuana and a Christmas-caroling excursion. Many talented students also participate in the new puppet ministry.

CA is led by moderator Mr. Martin, president Rose Krieger, and her cabinet including, vice president Linda Hermer liturgy coordinator, Maria Sandlin, publicity chairman, Robyn Dimino, and service chairman, Sarah Frankland.

Leadership Clubs

Besides the there are other academic clubs available to Connelly students. One of the most popular is the Science Club. Moderated by Mrs. Odasso, the club appeals to students with an interest in science, whether the interest be professional or casual. Here at Connelly, students are able to develop writing, speaking and leadership skills through such clubs as Junior Statesman of America, Model United Nations and Koality Kreaions. One of the largest clubs at Connelly is the Junior Statesman of America moderated by Miss Primrose. This club acts as a debating team and represents Connelly at a convention known as Spring State. The Model United Nations is a new club this year. Moderated by Mrs. Sena, this club devotes its time to studying the cultures of different countries including their religions and governments. Students with an interest in writing find an outlet in the club Koality Kreaions, carefully led by Mrs. Marilyn Seminara. This club works all year to put out one publication at the end of the year.

Clubs Offer Variety

Connelly's foreign language department is proud to acknowledge the presence of four separate language clubs, French, German, Latin, and Spanish. These clubs are open to any student who is currently enrolled in a language class. The language clubs are some of the most popular clubs at Connelly. This is understandable considering the numerous activities these clubs sponsor. The activities included the French club's Mardi Gras party, Spanish club's celebration of Cinco de Mayo, and Latin club's Toga Party to celebrate the Ides of March. As a newcomer, the German club celebrated the German Tricentennial with a trip to Old World in Huntington Beach.

With all this celebrating going on there is plenty of good food to eat and lots of fun for all. The students also benefit from these clubs since they are given a chance to learn about the customs of other countries.

Other activities include Running Club, Ski Club and Stat Girls. Mr. Cendejas started the Running Club this year with some interested students, and Ski Club continued to be a very popular activity. This year, Pam Evans, Merry Wall and Liz Schmitz represented Connelly as Servite Stat Girls. They worked hard to keep the statistics at football games.

Trip to Tijuana is Just Fun & Games

Sr. Beth drove a group of girls down to the poverty-stricken hills of Tijuana where they shared both their time and spirits with the kids. The girls put on a performance of "Puppet Ministry" — a new type of activity to enhance not only the kids' spiritual sense but to give plenty of entertainment also.

The kids were not the only benefactors. All of the girls came home with warm memories and not to mention dirty feet! More of these trips were taken later in the year and each time the girls were greeted with the little kids' hugs and smiles. It is a kind of trip that each girl will always remember in a special way.

Connelly girls and faculty have collected food and clothing for the children of Tijuana. Through Christian Action activities, such as trips to Tijuana, the girls learn to put their faith into action and learn about the reality of life in other parts of the world.

Spirit Week Sparks Enthusiasm

The tradition of Spirit Week proved to be a success this year. With themes of Senior Stoneage, Juniors Jam to Jamaica, Sophomores Salad and Backwards Freshmen, the Connelly Spirit was not to be underestimated. Along with this came spirit awards for certain classes. The Sophomores won best costumes, posters and theme. Juniors took tug-of-war and the sandcastle contest. Seniors won for the fourth year in a row, the tricycle race and most spirited award.

Pep rallies and poster parties filled the week that concluded with the annual Connelly Beach Party at Corona del Mar Beach. Big and little sisters brought each other specially prepared lunches and the whole day was spent having fun in the sun. Connelly students and faculty grew in unity and pride during the 1984 Spirit Week.

Ring Night November 1, 1983 "Juniors in the Center Ring"

This was the night the Juniors were in the spotlight, the night when the Juniors officially became upperclassmen. The evening was filled with touching memories that the girls will remember always. At the ceremony, each girl received her ring. Later the Juniors and Seniors shared a delicious dinner and a fun-filled evening of entertainment provided by the Senior class. The night ended with a slide show featuring the Juniors. It was a night for all to cherish.

HOMECOMING 1983

On October 14th, thousands of Servite and St. Paul fans gathered to battle it out in their 1983 Homecoming game.

The red carpet was rolled out for the Homecoming court. The Connelly princesses included Senior Lauren Loscialpo, Senior Susie Emard, Senior Fran Coad and Junior princess Elizabeth Schmitz. The girls made their spectacular entrance in Mercedes 450 sl's, while the crowd roared in excitement as the girls approached and met their escorts.

The Homecoming dance was held at the Huntington Harbour Yacht Club on October 16th. The evening included dinner and dancing, with the choice of a band or a D.J. The weekend was an extra special one as Servite celebrated its 25th Anniversary weekend.

Christmas Formal Juniors Create A Night Of Romance

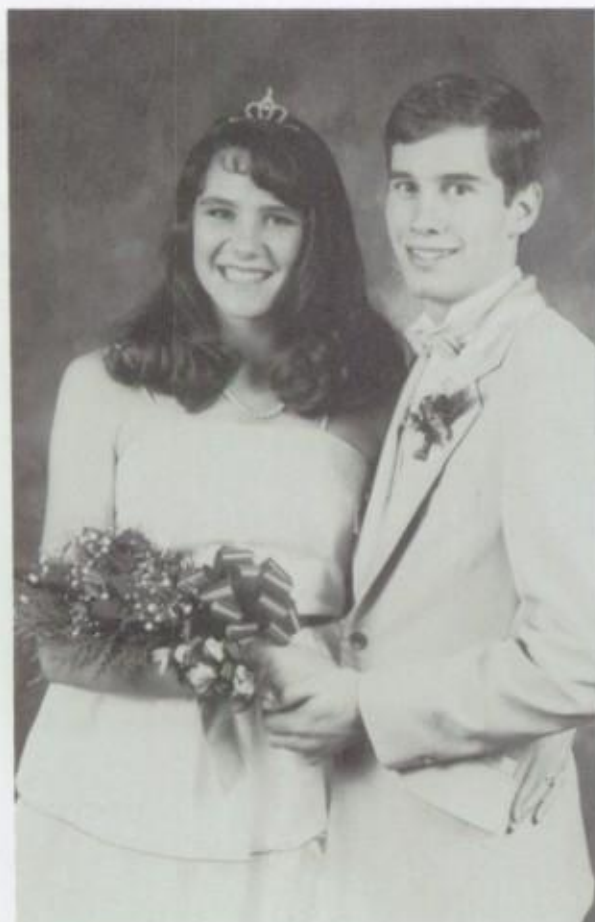

On December 21, the Newporter Inn hosted the 1983 Christmas Formal, "Winter Masquerade". The Connelly Juniors worked many exhausting hours putting together this captivating evening. The dazzling evening was highlighted when Senior Shona Quizon was crowned queen by former queen Kelly Tooney. The lovely court consisted of three seniors; Jill Castro, Sylvanna Rodriquez, Shone Quizon, two juniors; Margret Choe, Stephanie Shew and two sophomores Chris Pepper and Ann Barcal.

This year instead of a band the dance was delighted to have "Fly By Night", an exciting Disc Jockey. Girls were glamorous in their dresses of taffeta and lace while their escorts were decked out in everything from tails to plaid bow ties.

1984 CLASS PLAYS

Class plays have long been a tradition at Connelly. Mother Connelly believed it was important for the girls to learn expression and understanding through acting, and learn to take criticism in an atmosphere that is humorous. She felt it did not create vanity or other faults.

At Connelly the preparation time for the plays is only two weeks long. During this period students spend hours memorizing, practicing, and polishing the performances. Each class elects a director and co-director. There are many aspects of work to be done for the production including sets, costumes, and programs. Committees are formed for these projects.

The day of the competition brings much excitement. Everyone congregates in the auditorium. There is a feeling of suspense in the air because everything up until this day has been a secret. Actresses await anxiously behind the curtain. Once the plays start all are impressed with the acting abilities that are exhibited.

Professional actors come and judge the plays. The students work as a team to bring the plays together. Every play is a success!

SERVITE SQUAD SPARKS SPIRIT

The Servite cheerleading squad had a fun-filled year of excitement. The girls worked very hard throughout the summer preparing for camp. The girls were successful in bringing home many awards from USA camp. These included a Superior Trophy, numerous Spirit Awards, The Poster Award, an Excellent Banner and the "p.y.t." Spirit Stick. They enjoyed their time at camp & consider it a great success.

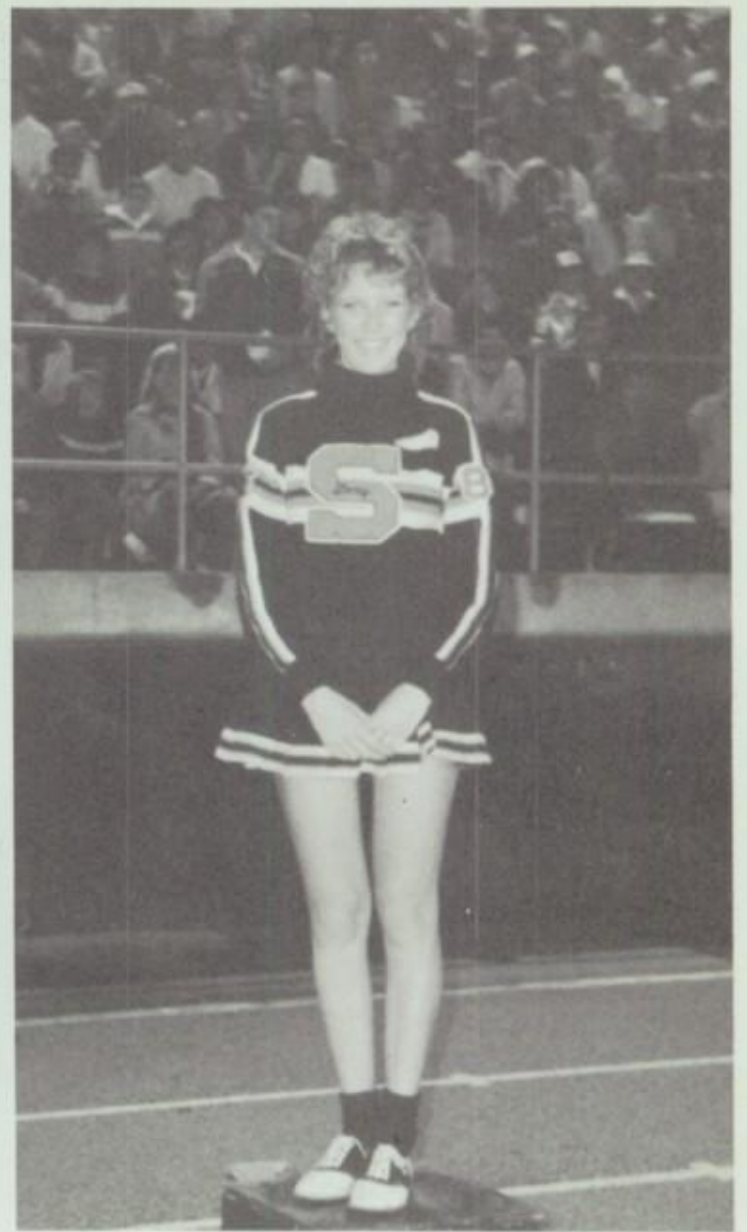

The football season involved months of hard work and brought much excitement. The girls participated in the Friars "Hell Week" and "Camp Week" and later cheered them to the CIF Championships!!

ATHLETICS

**You're reaching deep inside you
For things you've never known.
It's been tough, rough goin'
But you haven't gone alone.**

G.A.A. THE SPIRIT BEHIND THE ATHLETES

Like our winning athletes, G.A.A. is also a great success, for they help strengthen the school's unity and pride. In building appreciation for our school, they sponsor such activities as: Spirit Week, pizzas sales, ice cream parties, a dance, and a banquet for the athletic teams. They also support our teams at all of their games. G.A.A. is truly the unseen spirit of the athletes who gives much needed support to our athletic teams as well as to the school.

Confidence and Teamwork

J.V. Volleyball Digs for the Gold

Once again Coach Suzie Sullivan formed twelve talented young athletes into a winning Connelly team. The Coach didn't account for all of the team's success. Seven former J.V. players and five new girls were the ones that kept the winning streak.

The rallies usually initiated from Duncan's defensive digs, which fell into the hands of either of the two setter's hands; 6'-0" Sheila Duffy or Beth Psomas. While Tracy Brennan was not in the front row killing the balls, Joan McCaully took over. Janine and Elisa not only kept the ball going, but the team spirit also. Unfortunately, Angela had to watch from the bench after breaking her ankle. Who said Laura Salamacha was only a track player? She along with Tonya & Sullivan can look forward to a future promising season!

J.V. Basketball

Much tribute must be given to this year's team. This six-girl team, coached by Mrs. Koscielak, did better than the past two J.V. teams. The early season was marked by the loss of one of the picked seven players due to injury. This though did not stop these girls from giving 100% during practice and in games in order to perform their best. The biggest satisfaction came from beating Mater Dei!

Taking on the Challenge

Volleyball shouts, "Yes We Did!"

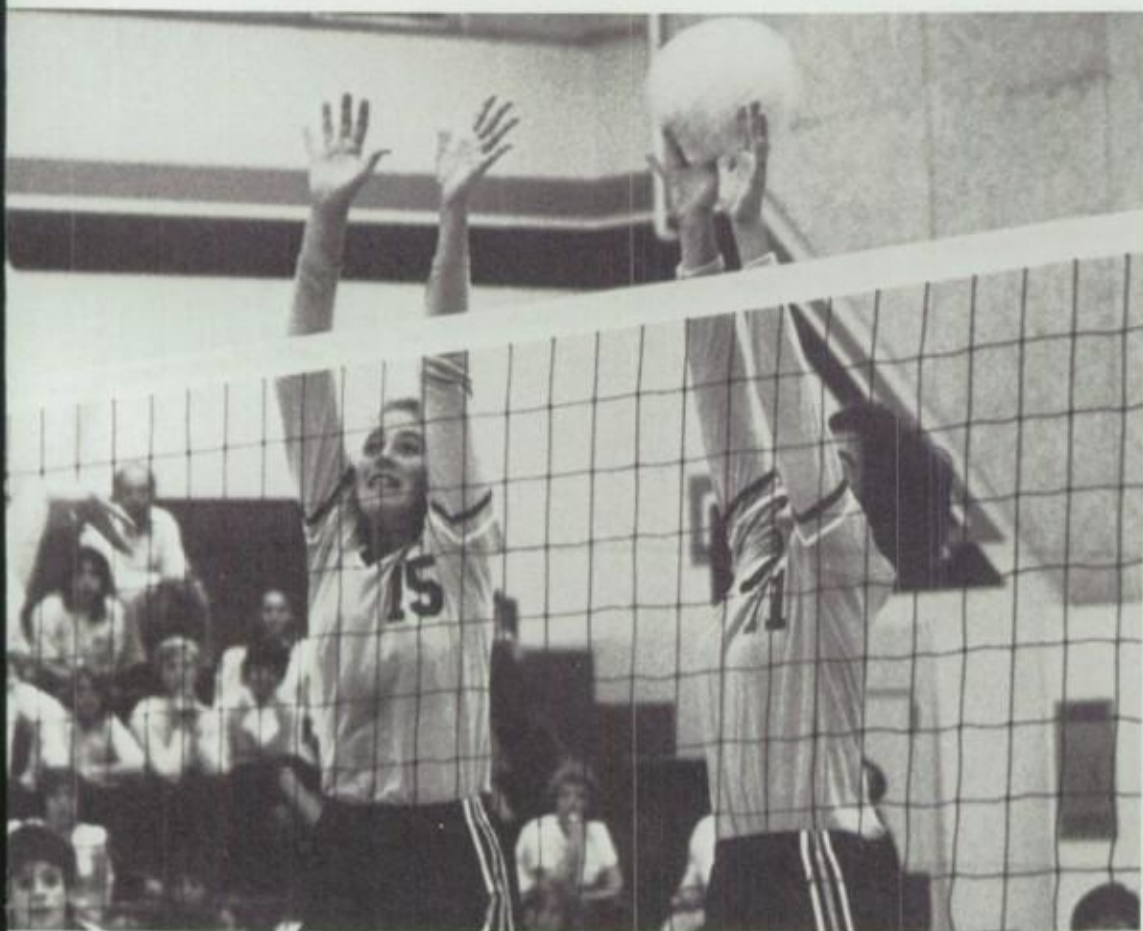

This 23-2 record team defied all probability, and for a first in our school's history captured the CIF 1-A 2nd place title. After remaining undefeated in League, they knew that nothing could stop them from reaching their goal — and nothing did. This achievement was not attained solely by the team's determination but from the unlimited support from the fans. Mrs. Koscielak performed an excellent job of coaching and without her, the team wouldn't have finished as well. The cheering section at each game increased after each victory and chants of, "Yes we can" echoed in the gym. Congratulations, team, for the outstanding performance!

INNOVATIONS

BRINGING IN THE NEW AT CONNELLY

¹
This year has brought some new exciting facets to Connelly's curriculum. These new areas are separate from the three R's of the past. Sr. Tobie's arrival last year, she has begun to bring a new feeling of cultural awareness to the school. She has also stressed the importance of learning about computers.

The school's art department has been expanded to include music appreciation and a beginning ballet class. The freshmen learn how to play the recorder, and the sophomores learn about the art of ballet. Even our Friday assemblies have been revised to give us a little sample of the arts. Baroque dancers from U.C. Irvine performed as well as Renaissance players from Dominican College in San Rafael.

Along with the furthering of our knowledge of the arts, another new arrival to Connelly is computers classes. There are six computers in the library. These classes teach a student the basic skills in use, including processing and writing programs. These classes are taught by Sr. Maureen Monaghan, who is also a new addition this year.

With all there innovative improvements, Connelly students are growing both in their knowledge of the technologies of the future and in appreciation of the arts.

Images '83-'84

This was a year for advancements and entertainment. It was also a year of Soviet and American invasions.

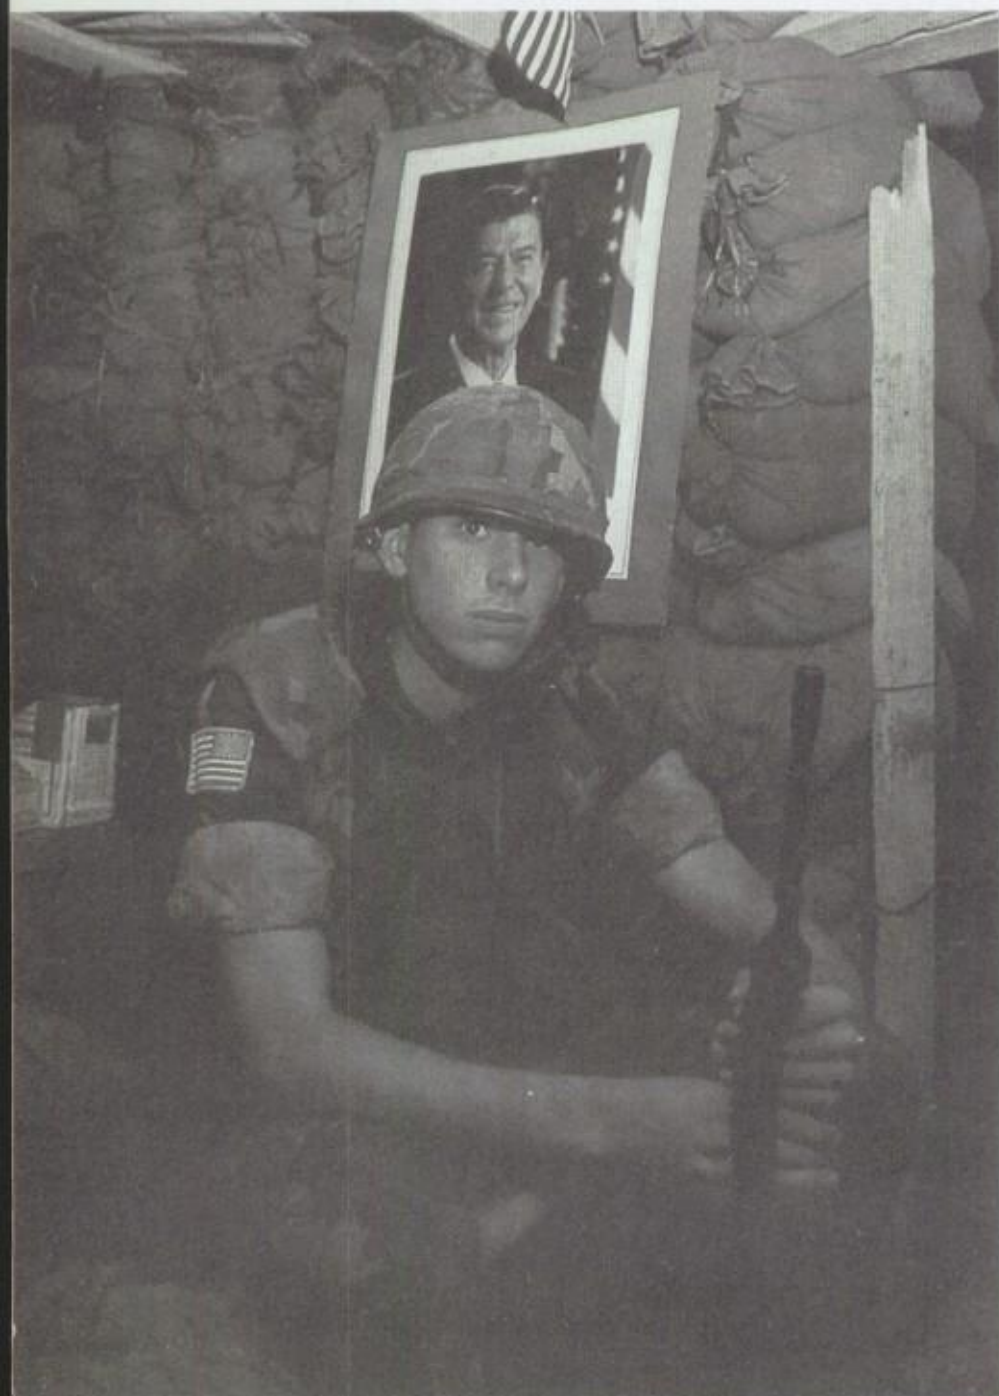

Fashion trends changed frequently. The "Flashdance" look quickly subsided to a tougher look with leather, denim and chains as decorations. Tacky jewelry and accessories came in, along with a more polished look of hats and long skirts. 1983 brought a more debonair look for men. Pop music reached an all-time high with such colorful Super-Stars as Michael Jackson, Boy George and the Culture Club, David Bowie and the Police.

Sally Ride broke barriers when she became the first American woman in space. She and the other three astronauts landed safely back on earth. This was the sixth time in American history a space shuttle came back to be re-used. American troops invaded Grenada and acted as a "peace-keeping" force in Lebanon.

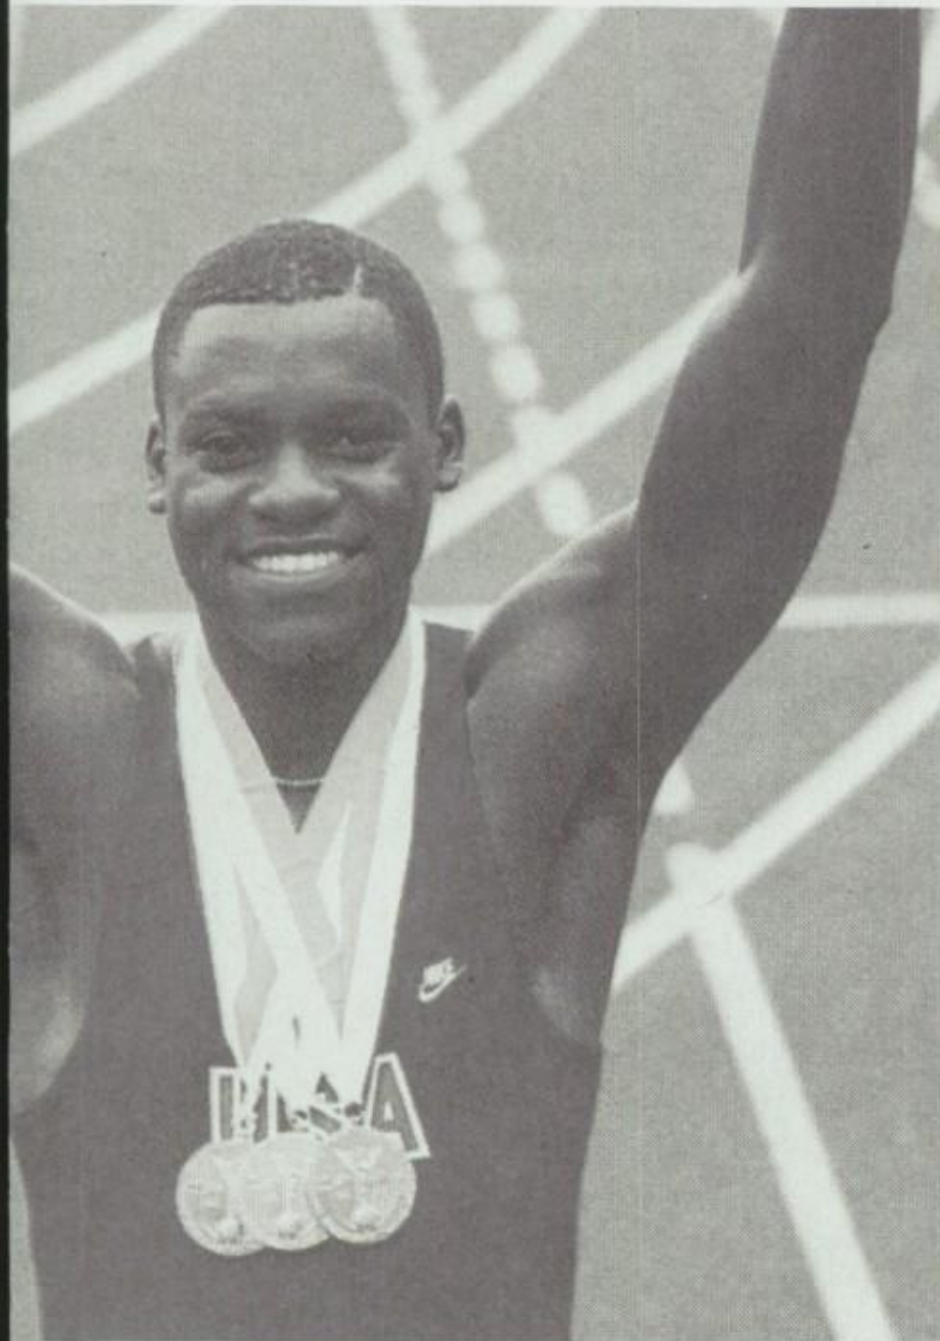

Los Angeles is in a whirl "fixing-up" and beautifying the basin for the thousands of spectators coming to the 1984 Olympic Games. This is the second time L.A. has been honored with the hosting of the Games.

Eddie Murphy was the hottest ticket in the box-office this year, as well as on Saturday Night Live. Because of his crazy antics and easy humor, he is rapidly becoming a national treasure. Joan Rivers has taken the interviewing world by storm with her humorous yet prying comments. She is known for her unassuming, "Can we talk?"

This year has been very uplifting. With inflation and housing costs dropping and the value of the dollar rising, the economy started to look good again. A year like this can only mean that the world is getting to be a better place in which to live and that America will continue to prosper.

Heart-throb Michael Jackson 'thrills' everyone with his award winning videos, record-breaking album sales, and incredible dancing style. 5. Eddie Murphy and Joan Rivers keep America laughing with their 'Eighties brand of humor.'

YOU HAVE JUST CROSSED
THE BRIDGE
TO COLLEGE FROM HIGH
AHEAD OF YOU
THERE IS A BEAUTIFUL
RAINBOW
AND A TWINKLE STAR.
ALWAYS LOOK FORWARD
NEVER LOOK BACK.

THE RAINBOW SHOWS THE COLORS
IN EVERY LIFE:
BLUE, FOR THOSE MONDAYS
WE HAVE, ONCE IN A WHILE;
VIOLET FOR THE TEARS
EVERY ONE HAS;
RED FOR FUN AND ROMANCE,
WE ALWAYS WANT
AND GREEN FOR THE HOPE
YOU SHOULD ALWAYS HAVE.

WHICHEVER COLOR
COULD BE IN YOUR LIFE,
KEEP WALKING TALL
AS A BIG GAL YOU ARE.

THE TWINKLE STAR
HIGH IN THE SKY
IS LIGHTING YOUR PATH
WAITING FOR YOU
TO COME AND TAKE IT
WITH YOUR BARE HANDS.

IF SOME DAY
YOU LOOK AROUND
AND DON'T SEE GRANDPA
YOU CAN BE DAMN SURE
I AM BY YOUR SIDE
WHISPERING TO YOUR EAR
COME ON LISETTE,
DON'T GIVE UP,
ONE MORE STEP
AND YOU WILL REACH THE STAR.
NEVER LOOK DOWN
! ALWAYS LOOK HIGH!

P.S. I KNOW YOU WILL. LOVE

MaryEllen,
There are so many things that I've never said to you or had the perfect opportunity . . . but I've always wanted you to know. You've given me some of the most special and memorable moments in my life.

Remember: The 1st impression, staying after, Disneyland, my phone works, "death", "cuidado", "pesada", Lynn's house? Corona? Smarty, kirk, Loafer, La Fiesta, Chitchats, "Get Real", On time? . . . T.J.S.F., Shakeys evil eye, El Cache, "Me llenaste la Copa", The wedding, and escape to Fla. Having you for a cousin is like having a smile and a rainbow all rolled in one.

If there is ever anything I can do for you all you have to do is ask! I'll try my best and give my best and always want the best for you.
Love Always,
Lisette-Nena

Dearest Kelly

If you treasure the beauty
that shows all around you
and try to add some of your own,
Enjoy the companionship
others can give you,
yet value your moments along . . .

If you honor opinions
that differ from yours,
yet stand up for what you believe
Admire the accomplishments
others have made,
and take pride in what you can achieve.

If you love those around you
and love yourself too,
if your spirit is eager and free . . .
Then you know what it means
to live life to its fullest
and be the best "you"
you can be.

Make the most of each moment — know we are always here to love you and support you in whatever you do.

Dear Toad,

Don't be dismayed at goodbyes
A farewell is necessary before
you can meet again.
And meeting again after moment

Is certain for those who are

Melinda,

I've been forced upon you
Like a dress you
May not have bought for
Yourself.

I know it's hard
when families divide
And reproduce themselves,
Especially when the time
Saved for you is now
Shared with me.

If it means anything,
We are all separate experiences,
One cannot compare
With the other.

I wonder if we had met
Just anywhere,
Without a frame
To color us,
Would we have become friends?

Surely you would have
Accepted me more,
But I would need
Your acceptance less.

Add to them modesty, tolerance and patience —

Heather,

I sure am gonna miss you! Through thick and thin you've always been there. Without you I'm not sure I could have made it through the last 5 years. You've always managed to give me friendship, support and love whenever I needed it. You're the ear that listens and the heart that gives. I love you, Heatho! Thanx for being there!

Friends forever . . .

Dear Cardine,

I thought and thought what I wanted to say to you and so many things come to mind. But then I thought some more and really what I want to say is that through all of the "good-times" we've had, and the "bad-times" too, you were always my number one friend. Somehow, I feel closer to you than to anyone else. We've shared so much together and we have so much more to share together. I just want you to know that I'll **always** be there whenever you need me. You're my best friend, Caroline — I love you!

Lovely Amy, (Ha Ha)
You know, every year we sign yearbooks, and new to write. But this past year was sooo boring. Every year no one has anything new to write. Yearbooks can get we had a lot of fun. Especially you cuz you got your license! Now exciting!! I don't think anyone else year with you could be boring cuz you're a sweet and kind girl. I won't say have a cool summer cuz I hope we'll spend some of it together & with everyone else. But I will say to day just the way you are. Love ya always.

Hi Amy,
I hope you have a real meat and fun summer. You're real sweet, and all ways laughing. We enjoyed being there when I needed you. Next to you and it's been a lot of fun. In Spanish stay always, keep smiling and love always, Mercedes

It has been a great year and you are a neat person. I hope next year we will be in some classes together. Now that you are driving maybe we'll see each other this summer. Remember our Prayer Service. Have a super summer, Junior!

HI!

Love always,
Louise

Dear Amy,
It was sure fun having you in Dance & P.E. You are an extremely nice person. I would love to have your figure, too! :) You seem to be coming along just great. I'm so glad. We all care about you a lot!!
Have a super summer!
Love Ya!
Cindy

Amy,
 What a cutie
 you are, you are so
 sweet and nice. Some
 people are beautiful on the
 outside but they have no
 personality. You are beautiful on the
 inside and beautiful on the outside. Your
 joyful personality shows in your actions
 in biology I would be so bored but your cute jokes
 helped to liven it up. Well have a great summer.
 And take care of yourself. :) 85 miles
 Love ya

Amy,
 Hi! I just want to say
 that you've been really sweet to me.
 I wish we could have gotten to know
 each other better this year, but it seemed
 to go by so fast!! Well, we've got two years
 left, still!! Have a fun summer, ok?
 See ya next year!

Amy,
 Well, I'm glad we had
 Biology together. I really
 didn't mind when you
 asked for a pen or paper,
 what can you expect
 from an underclassman? I'm
 giving a real sweetheart. I'm
 glad I got to know you
 this year. Maybe we'll get
 some classes together next
 year? (uh? or well, have
 a fabulous vacation.
 Be whatever makes you
 feel good. (up to a certain
 limit, of course.) Anyway,
 say sweet and I cep
 anything.

Ammylou,

!HOLA!; Como estas?

I can't believe there's only 1 1/2 weeks left of our sophomore year. We've been through a lot together, huh?! Well, the good times, of course, have been loads of fun. But, the not-so-great times have been worse. I've made a lot easier with you as my friend.

It took a while to

get to know you, but I'm glad I finally did. The beginning of the year, since I didn't know anyone in the sophomore class, and since I was new, I kinda hung around the unions that I knew from

St. Justin.

Well, I don't have much time to write so I'm gonna end.

Keepin' touch.

Ammy,
I don't believe it,
we actually lived through
the year without being
killed while driving with
him! Next year will be much
easier knowing we'll be on
the road (Oh, no!). Well this
year has really been a lot
of fun. I know there have
been a lot of bad times but
I also know that you are the
special kind of person who can
come out on top with the help
of her friends (and I'm glad
to say I'm one of them!).
Have fun this summer!
We should do things together!
